01-Sep-2024

To Whomsoever it may concern

This is to certify that Mr. Navabhaarathi Asokan (CB.EN.U4AIE 21036) S/o Mr. Asokan, studying at AIE, Coimbatore (2021-2025 batch) has undergone his internship at Napses Technologies Private Limited as Software Developer - Intern, under the guidance of Mr.Praveen M V, Head of Engineering and has worked on a Social Media Profile Photo Quality Checker application, where he integrated a third-party service provider API and developed an interactive user interface using React.js. The application featured image upload functionality to an S3 bucket. Throughout the project, he worked with various technologies, including React.js for the frontend, Python for the backend, and S3 for storage. Additionally, he used Postman for API testing and integration, ChatGPT APIs for enhanced capabilities, and the LangChain framework. He also conducted market research on image analyzer service providers and leveraged Large Language Models (LLMs) for web scraping. His tenure with us was from **24-06-2024 to 23-08-2024**.

His performance during the tenure of his internship was good, he was found to be diligent and inquisitive throughout, contributing greatly.

We wish him success in his future endeavors.

Yours Truly,

For Napses Technologies Pvt. Ltd.

Lavanya Priyadarshini B
